Maria wants everyone to know about the great response to her request for the Love Quilt Committee. She says:

The response from everyone regarding interest in helping on the love quilt committee has been fantastic. I have so many volunteers I can't fit anymore people into the house to work!! What I've told the last few folks is that although we're full for Monday work days, we can always use people sewing quilt tops at home.... especially the larger ones!

So thanks to all the generous members who volunteered to help - such a giving group!!!

And as always—Thanks Maria.

Crayon Challenge. Do you know where your crayon is? Only one month till the show and tell.

RAFFLE QUILT MEETING

From Irma Bast ----

Please join us for the organizational meeting for our 2010 Raffle Quilt! We will meet on August 14th at 7 p.m. in room 154 at the church. (That's the downstairs classroom in the corner by the parking lot) This quilt's design will belong to the Guild. The goals for that evening will be:

1. To establish the design options for the quilt: traditional, bright, hand or machine quilted, etc.
2. Form a committee to design & execute the construction of our next quilt
3. Select two co-chairs for the committee

Please add your voice and ideas to this very important part of our quilt show budget that adds considerably to our funds to support our activities!
